Dear Mr. Silverthorn:

Re: Deanna Natale – File No. LCN36/09
Case No. 2007 – 25319
Hearing Dates: January 11 and 12, 2011

The Law Society is in the process of investigating and assessing new information which has recently come to our attention. The parties conducted a pre-hearing conference this week to discuss these developments. It is possible that the hearing may not proceed as scheduled on January 11 and 12, 2011, as the parties require time to absorb these new developments and assess how they impact on the case. The matter has been scheduled before the Proceedings Management Conference (“PMC”) on January 5, 2011 to discuss the scheduling of the hearing. Regardless of what transpires on January 5, 2011, your testimony will not be required on January 11 or 12, 2011 but may be required at a later date.

I will report to you following our attendance at the PMC on January 5, 2011 and let you know the next steps in the proceeding. Thank you for your continued patience and understanding. If you have any questions or concerns, please do not hesitate to contact me directly at the above telephone number or email address.

Sincerely,

AKW
