Dear Mr Anthony:

Re: Unik-Collectrite Inc. – Garnishment letter

Thank you for your letter of June 6, 2009.

I reviewed the material that you forward and agree with you that the letter is misleading. Consequently I have written to Unik-Collectrite Inc. instructing that the letter is not to be used in instances where judgment has not been obtained. I have also asked that the letter be amended to indicate that judgment has been obtained if it is to continue in use.

Yours truly
